

A City In Itself. **SIEGEL-COOPER & CO.** SIXTH AVENUE 18th & 19th STS. NEW YORK. See the Pure Food Show. **THE BIG STORE.**

Some Things That We Are Proud Of and Some Things That We Are Very Sorry For.

The welcome given the big store during its opening week was unprecedented. We expected, of course, to receive the hearty approval of the people of New York, and we believed that they would appreciate the economical prices at which we had marked our goods, but we never dreamed of such a spontaneous and overwhelming reception as we have had.

We thank you most sincerely for your generous support, but at the same time we have to apologize because, on account of our large sales, we have not been able to give you as good service as we had hoped to do, particularly in the prompt delivery of goods.

We must beg of you to be lenient with us for a little while if you have not received your purchase as promptly as you expected. The demands which have been made upon us have been so great that it has been impossible to do better than we have done, and we assure you that very soon you will have no cause to complain of the manner in which you are waited on in the store or in which your goods are delivered. All our efforts are now turned toward perfecting our packing and delivery system.

We also regret that we must disappoint you to-day by not mentioning in our advertisement the thousand and one exceptional values which we have in our store to offer. Very shortly we hope to be in a position to please everybody.

Respectfully,

Siegel Cooper
